LACEY ACT COMPLIANT

Vernal White

SPECIFICATIONS

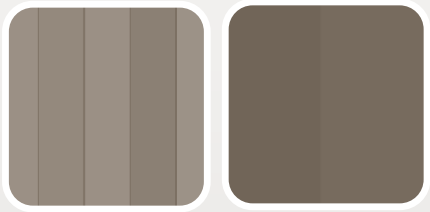
Species: *North American Oak*
Janka Hardness: *1360*
Cut: *Saw Cut*
Grade: *Select Prime*
Thickness: *5/8"*
Width: *8-1/2"*
Length: *60% 7 ¼' 40% 2'-5'*
Wear Layer: *4 mm*
Herringbone: *5/8" X 5" X 29 ½"*
Chevron: *5/8" X 5" X 24"*
Other Custom Sizes Also Available
Finish: *NeoTech With Aluminum Oxide*
Stains & Treatments: *Hand Rubbed Stain, Wire Brushed*
Edges: *Micro-Bevel* 4-Sided
Core Construction: *Multi-Ply*

ADDITIONAL OPTIONS

Moldings: *standard flush mount & overlap moldings, custom made to order moldings available*

Stair treads & risers: *36", 42", 48", 60", 72"*
Heat vents with damper: *drop-in and flush mount*

SHADE VARIATION & COLOR CHANGE

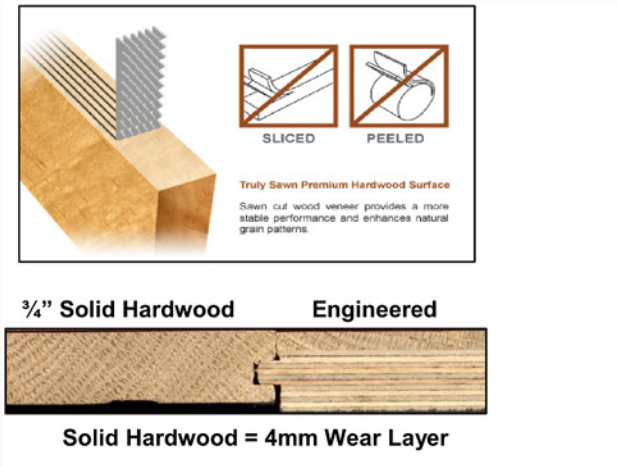


Shade Variation: LOW-MED **Color Change: LOW**

Shade Variance: Natural products like wood flooring have inherent color & shade variations. The degree of variation is related to the species and the grading.

Light Sensitivity: Wood flooring is light sensitive. Over time, the color of wood naturally changes when exposed to light. Natural UV light and direct sunlight results in the greatest amount of change. The lighting in the room can affect the color of the wood floor.

Reactive Stains & Light Sensitivity: Wood species with higher tannins, like European White Oak, finished with Reactive Stains inherently have a higher sensitivity to light and color change.



terra legno Engineered Flooring offers the exact look and refinishing features of solid wood flooring with superior dimensional stability and performance of engineered construction.

INSTALLATION

Methods: *Staple/ nail down & glue assist, glue & staple/ nail down, glue down, staple & nail down, or float*

Areas: *On grade, below grade & above grade*

For best results, wood floors installed by a wood flooring Professional equal to an NWFA Certified Installer.

CARE & MAINTENANCE

Residential and Commercial Wood Flooring Maintenance with NeoTech Polyurethane Finish. Floor Care and Maintenance details refer to www.terralegno.com

WARRANTIES

Lifetime Structural Warranty
35 Year Residential Finish Warranty
5 Year Light Commercial Finish Warranty
3 Year Commercial Finish Warranty

CERTIFICATIONS

CARB 2 Compliant
FSC on Request
Lacey Act
LEED Potential Credits
