terra legno

ENGINEERED FOR LIFE
ENGINEERED FOR PERFORMANCE

Quality.

terra legno welcomes you to the finest precision crafted wood flooring. For centuries wood has proven to be strong and enduring flooring. Introduce terra legno's innovative artisan's craftsmanship, a wood floor becomes luxurious and timeless. Craftsmanship is a commonly forgotten philosophy lost in today's high technology world. terra legno's manufacturing methods combine the old world artisan's passions and time tested wood working methods with today's innovative technologies. The terra legno difference is making the time to slow the design process down a little. Devoting the time to fully understand your design vision enables terra legno to create infinite edgy, contemporary, and traditional color pallets and textures beyond expectations. terra legno's experience and wood working knowledge ensure your masterpiece floor design is nothing short of perfection. Whether the project is residential or a commercial space, terra legno is dedicated to deliver your specified wood flooring on time and in budget.

Engineered Hardwood Flooring Grades

terra legno offers a variety of grades in wood making for a perfect design— transcending design elements from edgy and contemporary to traditional or rustic decors. terra legno's grades of wood range from a Prime Grade's cleaner sleek look to Vintage Grade's natural character looks.

Select Prime:
Slight variations of color in the heartwood to sapwood with sporadic mineral markings which can include small solids (filled knots).

Mixed Select:
Contrasting grain and color in heartwood to sapwood with distinct character markings of small to medium knots (filled) and mineral streaks).

Vintage:
Sharply contrasting grain and color variations in heartwood to sapwood with distinct medium to large knots (filled) and character markings.

Autentico

The Autentico Collection offers the natural beauty only authentic time worn wood flooring is capable of achieving. The Autentico Collection's merges fashion forward design, performance and value for residential and light commercial spaces.

Janka Hardness: European White Oak 1360
Grading:
Vintage: Fogg, Ash Gray
Classic; Tabac
Prime: Cobblestone, Hearthstone
Wear Layer: 2mm Sliced
Style: Single Planks
Dimensions: 1/2" x 6'-1/2" x 6'-1/4" Fixed RL 65% & 2'- 4' RL 35%
Chevron & Herringbone Dimension: Custom Made to Specifications
Finish: NeoTech UV-Polyurethane with Aluminum Oxide
Stains & Treatments: Reactive Stains, Wire Brushed, Fumed
Prefinished Edge: Micro-Bevel 4 Sided
Core Construction: Multi-ply

ADDITIONAL OPTIONS

Moldings: Standard Flush Mount & Overlap Moldings, Heat Vents, Stair Treads & Risers, Custom Made to Order Moldings Available

STAIRMAX STAIRNOSE OPTIONS:

INSTALLATION

Methods: Staple / Nail, Glue Down, Staple/ Nail & Glue Assist, Staple / Nail & Glue Down, Float

Areas: On Grade, Below Grade & Above Grade

For best results, wood floors should be installed by a wood flooring professional equal to an NWFA Certified Installer.

WARRANTIES

Lifetime Structural Warranty
35 Year Residential Finish Warranty
5 Year Light Commercial Finish Warranty
3 Year Commercial Finish Warranty

SHADE VARIATION & COLOR CHANGE

Shade Variance: Natural products like wood flooring have inherent color & shade variations. The degree of variation is related to the species and the grading.

Light Sensitivity: Wood flooring is light sensitive. Over time, the color of wood naturally changes when exposed to light. Natural UV light and direct sunlight results in the greatest amount of change. The lighting in the room can affect the color of the wood floor.

Reactive Stains & Light Sensitivity: Wood species with higher tannins, like European White Oak, finished with Reactive Stains inherently have a higher sensitivity to light and color change.

CERTIFICATIONS:

CARB 2 Compliant
FSC on Request
Lacey Act
LEED Potential Credits

Engineered by Design
Designed for Performance

terra legno's state of the art manufacturing facilities separates us from the competition. Our leading cutting-edge manufacturing enable us to create Autentico's colors, textures and performance that is a perfect option for a project's more demanding budget expectations.

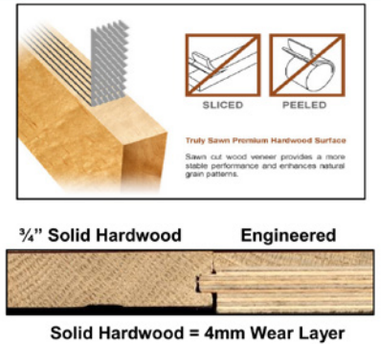

AUTENTICO FINISH & WEAR LAYERS

The Autentico Collection's advanced technology NeoTech UV Polyurethane Finish merges the old world craftsmanship with today's technology innovations. NeoTech's UV-Oil base coats work as a foundation penetrating the wood's grain's structure protecting the wood from within, then two polyurethane with aluminum oxide top coats which provide layers of wear resistant surface protection to the UV-Oil base coats. Terra legno's proprietary NeoTech finish is ideal for both residential and commercial spaces offering a timeless look of high maintenance hard wax floor with low maintenance and abrasion resistance surface for today's more demanding lifestyles. NeoTech Finish is safe for our environment, and not harmful to one's health because it is formulated low / no VOC materials. Terra legno wood floors are Carb 2 Compliant and have no harmful formaldehyde content.

AUTENTICO FEATURES AND BENEFITS

Not all engineered wood flooring is of equal quality. Terra Legno's Autentico Collection combines the natural character of time-worn wood with the performance of engineered construction. Wide-plank oak flooring, long board lengths, reactive stains, wire-brushed textures and NeoTech finishes give the collection its distinctive appearance, while making it suitable for residential and light-commercial applications.

Autentico Features:

- 35-year Residential Wear Warranty
- 5-year Light Commercial Wear Warranty
- 3-year Commercial Wear Warranty
- Low maintenance
- For best results, prep and recoat as needed to maintain optimum appearance
- Renewable: Prep & Recoat or Resand if needed
- No formaldehyde
- CARB 2 Compliant
- FSC on Request
- Stair Treads & Risers
- StairMax Stair Nose
- Standard and Custom Made Moldings
